STATEMENT OF ABS-CBN ON THE ALIAS CEASE AND DESIST ORDER ISSUED BY NTC

At 2:26 PM today, ABS-CBN received an alias cease and desist order from the National Telecommunications Commission (NTC) directing ABS-CBN to cease and desist from operating digital TV transmission in Metro Manila using channel 43.

While channel 43 is not mentioned in NTC's cease and desist order (CDO) of May 5, 2020, and it is ABS-CBN's informed understanding that channel 43 is not included in the CDO, digital TV transmission in Metro Manila using channel 43 will cease tonight (June 30), consistent with the intent of the alias CDO.

This means that viewers with TVPlus set-top boxes in Metro Manila will be unable to watch Teleradyo, Jeepney TV, Yey!, Asianovela Channel, CineMo, and KBO.

ABS-CBN has a pending petition with the Supreme Court questioning the NTC's CDO and hopes that such petition will be resolved soon in its favor so that it can resume broadcasting on both analog and digital platforms in the service of the Filipino.

PRESS STATEMENT

FOR IMMEDIATE RELEASE**

SKY CABLE CORPORATION STATEMENT ON THE CEASE AND DESIST ORDER ISSUED TO SKY DIRECT BY THE NATIONAL TELECOMMUNICATIONS COMMISSION

SKYdirect's 1.5 million subscribers nationwide, including those in remote areas that do not receive television signals, will be deprived of access to the channels we carry that bring them news, information, education and entertainment starting tonight June 30, 2020, as Sky Cable Corporation complies with the cease and desist order (CDO) issued by the National Telecommunications Commission (NTC) stopping the company from operating its direct broadcast satellite service immediately.

In the spirit of fairness, we continue to appeal to the NTC to extend the same privilege given in the past to other companies whose franchises have expired but are currently pending in Congress to continue its operations until a resolution is passed.

We assure our subscribers that we will exhaust all legal remedies to resume our services.

We commit to attend to the concerns of our valued subscribers and partners arising from this decision. We will refund all unconsumed prepaid loads and advance postpaid payments. We appeal to our SKYdirect subscribers and partners for understanding and patience as we undergo this process.

Our valued subscribers of SKYcable and SKY broadband, however, will continue to enjoy uninterrupted services as they are unaffected by the franchise expiration.
