Change in Number of Issued and Outstanding Shares

Background/Description of the Disclosure

Please be advised, that as of date, the Company updated the subscription by participants of the ABS-CBN Employee Stock Purchase Plan ("ASPP") and the Executive Stock Purchase Plan ("ESPP") to a total of 11,172,177 common shares in ABS-CBN Corporation.

The total issued shares as of date is 883,295,819. The total outstanding shares as of date is 861,973,258.

The change in the number of subscription from 11,391,500 common shares to 11,172,177 common shares was due to various withdrawals of the participants as of February 28, 2019. The withdrawn shares as of February 28, 2019 in the amount of 219,323 common shares reverted to the Company as part of its unissued common shares.

Under Sections 12 and 13 of the ASPP, a participant forfeits any rights or interest relating to the plan except for the right to receive a full refund for all purchase payments made: when a participant voluntarily withdraws from the plan for any reason; when the participant's employment terminates or ceases as a result of resignation or voluntary separation from employment; when the participant's service agreement ends; or when the participant involuntarily withdraws from the plan with fault on the part of such participant (e.g., termination for just cause or termination due to breach of service agreement). The said shares shall revert to the Company.

Under Section 13 and 14 of the ASPP, in addition to the option to withdraw from the plan, the option to purchase shares equivalent to the paid portion is also available: when the participant involuntarily withdraws from the plan without fault on the part of such participant (e.g., closure of establishment and reduction of employees, separation due to disease or permanent disability, or retirement) or in case of the death of a participant. The shares corresponding to the unpaid portion shall revert to the Company.

The ESPP has the same forfeiture and option features for its participants.
