<b>Clarification of News Report</b>
-------------------------------------

We write in reply to the Exchange's request for confirmation on the news article entitled "House execs want sanctions vs ABS-CBN" posted in Inquirer.net on July 20, 2020. The article reported in part that:

"MANILA, Philippines — As mass actions in support of ABS-CBN mounted, pro-administration lawmakers dug their heels in over their rejection of the network's application for a new franchise and called for more sanctions against the network, including a nearly P2-trillion fine and the seizure of its sprawling headquarters in Quezon City.

....

At one point, Marcoleta suggested forcing the network to pay P1.97 trillion in fines over the alleged violation of the terms of its old franchise, such as unauthorized digital broadcast using a frequency originally assigned to Amcara.

He said he arrived at the figure based on the number of set-top boxes 'illegally' sold by the network multiplied by a P200-per-day fine over a period of more than five years.

....

The representative of Sagip party list also proposed 'ejecting' ABS-CBN from its headquarters in the 44,000-square-meter complex on Mother Ignacia Street, Quezon City, arguing it did not rightfully belong to the Lopez family.

Marcoleta recalled that during the 14-day House inquiry into ABS-CBN's franchise application, network executives had presented a title for only a 42-sq-m lot, and not the complex housing their buildings and transmitters.

He said the network had failed to present the original title on the excuse that it was up for reconstitution.

....

Remulla also questioned ABS-CBN's possession of the smaller Jusmag (Joint US Military Assistance Group) compound in front of the network's complex. 'That should belong to government,' he said.

....

As for ABS-CBN's radio and TV frequencies, Remulla said there were two alternatives: 'The government can use it, or it can be bid out, so the government can raise revenues.'

....

ABS-CBN cannot confirm the veracity of claims in the cited news article and have no knowledge of any proceedings that impose fines or penalties or claims against the property cited therein.
