Subject of the Disclosure

ABS-CBN Corporation seeks Temporary Restraining Order (TRO) against the Cease and Desist Order (CDO) of the National Telecommunications Commission (NTC)

Background/Description of the Disclosure

Today, May 7, 2020, ABS-CBN Corporation (the "Company") filed a petition for certiorari and prohibition with the Supreme Court seeking to set aside the cease and desist order of the NTC and a permanent injunction against the implementation of the CDO. The petition likewise prays for the immediate issuance of a TRO against the CDO.

The Company said in its petition that NTC gravely abused its discretion when it issued a CDO, instead of deferring to Congress and issuing a provisional authority to allow ABS-CBN and its stations to continue operating. It also argues that the issuance of the CDO deviated from past practice and violated its right to equal protection of the law as well its right to due process, because it was issued without due notice and hearing.

The Company likewise said that the CDO violates the right of the public to information and curtail freedom of speech as well as cause serious and irreparable damage on ABS-CBN and thousands of its employees if the implementation of the CDO is not halted.

We will update this disclosure on the developments of the case.
