Clarification of News Report

We respond to your request for clarification of the news article entitled "ABS-CBN partners with Theta Labs" which was posted in various online sites on March 21, 2023, which reported in part that:

"ABS-CBN Corp. on Monday announced a partnership with Theta Labs, a blockchain infrastructure provider, to power its various business units and NFT (non-fungible token) business.

The tie-up will bring fresh opportunities for media and entertainment fans in the Philippines, ABS-CBN said, starting with three projects that have been finalized and are set to be released in the coming months.

....

In addition, ABS-CBN also confirmed that it would be utilizing Theta's Video API across various business units. This will allow them to experiment and explore the potential of Web3 technology to enhance the viewer's experience.

...."

ABS-CBN confirms that the matter quoted in the various online sites is consistent with the press release the company issued on the same date. ABS-CBN is continuously exploring and building new partnerships to enhance audience experience and to bring new features and capabilities to its viewers. There is no further information to be disclosed at this time.
